Features and Benefits

Description: The IM63F is the Installer's Choice fixed mount option for your 32" to 63" flat-panel displays and is capable of supporting flat-panels up to 200 lbs. Our heavy-duty, dual rail design provides ample security for virtually every 32" to 63" display on the market. The dual stud, dual rail design ensures easy installation and ready access to cable routing. The IM63F has a 1.375" profile and the open wall plate design has expanded mounting and cable access flexibility.

Mounting Patterns (mm): 200 x 200, 200 x 300, 400 x 200, 400 x 400, 400 x 600, 600 x 400
